Churches Together in Barnstaple Plans are already starting to form around a united celebration of Pentecost, but in a different way to last year. Common themes will be the united service in the Pannier Market, and non-stop prayer (during the week after Pentecost probably) whilst lots of Christians from lots of churches deliver leaflets either in person or through letter boxes, to as many homes as possible in Barnstaple.

 Guy commends this on-line resource. A daily Bible passage, ideas for prayer and notes & more: www.wordlive.org You can choose to have the verses, notes and activities sent by email to you for free.

Experiencing God

Jesus often opened the ears of the disciples to hear things in a way which brought new understanding. One day he took three of them up a mountain and they got a whole new perspective on the continuity of God's plans as Jesus spoke with Moses and Elijah right in front of them!

We often refer to this event as the Transfiguration, but just to focus on Jesus' appearance would be to miss so much else that is important in this account, which was kept secret until after the resurrection. The climax of what happened was a direct word from God addressed to Peter, James and John – and they couldn't even tell the others!
